

M.H. 6
Dear and revered Murshid

This is the voice of your
mureeds living in Montreux, who want to
express their feelings towards you on the
occasion of your vilayat day. -

If it was possible to make a bouquet
of all the beautiful thoughts you have suggested
to us in your teachings, that is the bouquet
we should like to offer you on this occasion. -

The more we realize the Message and try
to live it, the more we feel its sacredness and
our respect and love to the Messenger. -

Of course, we do not forget that the Messenger
is but the pen with which the Message is
written, as you have told us, but if worldly
people keep as sacred the material pen which
has served to write an important human
document, may we not respect and love the
living pen which writes for us the Message
of Life?

Though we have not the privilege of
your presence this day, we rejoice to know
that you are surrounded by other devoted
mureeds and your dear ones. - Besides

we realize that all the same, we are with you within our hearts. -

We hope that in the future we shall see you more often among us, for if we acknowledge that revelation and illumination come from within, we have also felt the invaluable benefit and help derived from the presence of Murshid. -

Joining our good wishes for you to those of all your devoted murceeds, we shall end this address, revered Murshid, with the last sentence of our prayer:

May the Message of God, reach far and wide, illuminating and making the whole humanity as one single brotherhood in the Fatherhood of God. -
