Appear to be wireless operators  
 If you can keep your nerve  
 When all about you are  
 Stations jamming hard and  
 blaming you if you don't  
 hold the air though others  
 shout you might you get  
 the longest message through  
 if you can send and not  
 get weary sending nor  
 over-tire the man who  
 has to read if your mistakes  
 are rare and I submit they  
 are rare if you believe that  
 mending if you speed if you  
 has the strength to speed if you  
 can calmly contemplate  
 the chatter of gossamering  
 operators fresh from school  
 if you can sit with messages  
 that matter and wait in bulk
